Provide one-on-one music lessons for current 16 students under the Beautiful Mind Music Academy (BMMA) Free Music Education Programme.

We have increased the number of teaching hours from 12 to 16 lessons per semester to enhance the learning opportunities and skills development for BMMA students. During concert period, teachers will also give extra classes for students and prepare them for the main two concerts in April and Nov/Dec annually.

Charity will sponsor our volunteer musicians to participate in special education courses to help them have a better understanding in special needs children and enables teachers to tailor their teaching styles to student needs.

Tutor and prepare students for music examinations, such as ABRSM and Trinity College.

Participation in local community projects such as music performances in nursing homes, hospitals, and needy institutions. (this is a confirmed event performed by Beautiful Mind Ensemble)
